## THE GOOSE CHASE

### Issue 1 2016

My 2016 glorious **Goose Chase** got off to a flying start with the launch of my latest book in New York and my feet have barely touched the ground since.

1

What a privilege to be invited by the Cartier board to present to the senior buyers. Preaching to the converted about the beauty of craftsmanship.

2

North of the border to Scotland to curate an exhibition of my sketches and lecture at the famous auction house, Lyon & Turnbull. I managed to sneak in a private tour of Dumfries House. You could not find a happier Goose, immersed in the Mecca of Chippendale furniture.

3

My second collaboration with The Rug Company launches in Autumn 2016. I was delighted to host an event with all The Rug Company's worldwide partners, who were treated to a sneaky preview of the collection.

4

Taking part in the Decorex film at Syon House with fellow designers was inspiring.

5

'All Aboard for Tea and Cupcakes' at Design Week, held on a stunning vintage double decker bus. Standing Room Only. Our very own Kathleen baked delicious Gosling Cupcakes, gluten free, fat free but very tasty!

6

A piece to camera for the Decorex film. I am really excited about curating an exhibition for the entrance hall of Decorex 2016. More on that later...

7

London Craft Week hosted an event at Sycamore House for international guests. My dear friend and favourite Vellum craftsman,

Gavin Rookledge stole the show when he arrived in his

leather wrapped car.

Keep up with the Goose Chase...
