GOOSE CHASE

Issue 2 *Christmas* 2016

2016 has been a wonderful 10th Anniversary year, dominated by planes, trains and automobiles, but with a myriad of treasures to enjoy at each destination.

1

The Gosling team organised a 10th Anniversary celebration dinner. I was delighted to see they also felt 'more is more' when setting the table! I loved the cake, a copy of a straw marquetry jewellery box.

2

Chesney's New York hosted a fabulous evening to launch The Grand Tour Fireplace collection. I got to hold court too!

3

It was awe-inspiring (and a relief) to see my Heritage of Chair Making exhibition open at Decorex 2016. Surprise surprise, I managed to find my way onto a stage with a microphone.

4

It was an honour to be invited to the Monaco Yacht Show as a judge for The Showboats Design Awards 2017. It was tough spending 3 days looking around the finest yachts in the world.

5

Chesney's London chose the hottest week of the year to launch the new fireplace collection in their Battersea Showroom, perfect for a red velvet jacket.

6

I was delighted to be invited by BBC Radio 5 Live to comment on the refurbishment plans for Buckingham Palace.

7

What a warm welcome by The Rug Company in Dallas. A book signing and lecture followed by a stunning dinner with a Goose style 'more is more' table setting to make me feel at home.

Keep up with the Goose Chase...
