## THE GOOSE CHASE

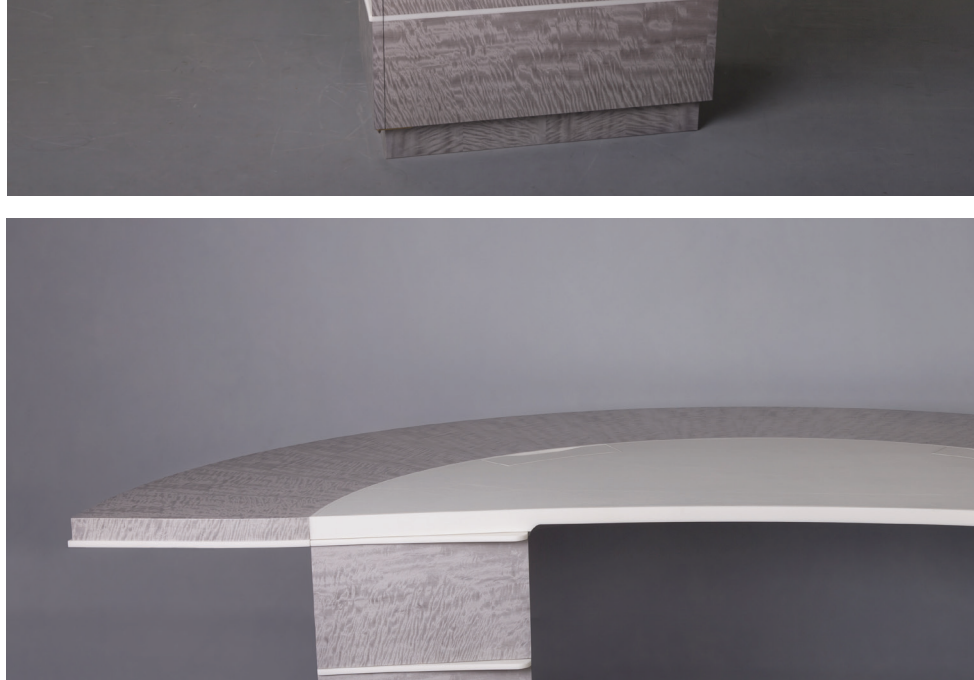

Issue 7 *Summer Heat Wave Edition* 2018

Presenting the Wallace Collection for the [Colnaghi Foundation](#) was a dream come true for Tim. “It was wonderful to be able to film in the Wallace Collection amongst iconic pieces of French furniture, to be able to show the techniques, which I still use in my work today was heaven.”

The Gosling team adores the ruby redness of this blushing sofa. The curves and soft, silky velvet.... OK enough already! But we are in love, especially when teamed with the Gosling Deco Desk, inspired by Art Deco designer, Emile-Jacques Ruhlmann. Both pieces will be on exhibition in Moscow in November 2018.

“I am very proud of the Gosling fireplace collaboration with [Chesney's](#). The collection represents such an important period of European history. The gold Portar marble and the brass register grates are a magical combination.”

3

Working with [The Rug Company](#) in Shanghai was a wonderful experience, the perfect city to get the creative process flowing. “I am very excited to be designing a new Chinese inspired collection and very proud of the success of the Deco Border, Deco Spiral and Empire from the Art Deco Collection.”

Peer group recognition is very important and Gosling is delighted to have been awarded a Bespoke Guild Mark. The criteria are rigorous and exacting. The use of The Furniture Makers' Company's Coat of Arms and Bespoke Guild Mark logo is a unique privilege, bestowed on very few.
